

**Orthopedic Surgeon  
Specialist physician  
Medical Doctor**

**Dr Dorick PASSERON**

Date of birth: June 17<sup>th</sup> 1978, Clamart, France

14 rue Emile Leblond  
92500 Rueil-Malmaison

N° +336 86 40 80 02

[dorick.passeron@gmail.com](mailto:dorick.passeron@gmail.com)

Married: November 30<sup>th</sup>, 2002

Three children:

Aurèle: August 14<sup>th</sup>, 2003

Emilien: March 30<sup>th</sup>, 2006

Lucien: September 14<sup>th</sup>, 2010

---

**STATEMENT OF PURPOSE**

Hip and Knee surgery, Bone infection surgery.

---

**WORK EXPERIENCE**

**10/2010 to present:**

**Groupe Hospitalier Diaconesses Croix Saint Simon, Paris, France**

Hip arthroplasty with anterior approach, knee surgery, revision arthroplasty and bone infection surgery.

Active surgeon of this center, the **largest in France in terms of activity** in hip arthroplasty, knee arthroplasty, revision hip and knee arthroplasty, and septic surgery. Hip arthroplasty is performed by a **minimally invasive approach**, without any muscular loss.. **Reference Center for the treatment of complex Bone and Joint Infections**

Instructor of anterior approach of the hip for Tornier Corin medical  
Instructor of revision knee arthroplasty for Depuy Synthes.

**11/2009 to 10/2010:**

**Beaujon University Hospital, Clichy, France**

Fellowship in Traumatology and Orthopedic Surgery.  
Professor **Guigui**.

Trauma center of the North of Paris.

**11/2007 to 10/2009:**

**Raymond Poincaré University Hospital, Garches, France**

Fellowship in Traumatology and Orthopedic Surgery.  
Hip and knee arthroplasty, revision arthroplasty, septic surgery.  
Professor **Judet**.

---

**TEACHING EXPERIENCE**

The department of Orthopedic surgery in the Croix Saint Simon Hospital is attached to Paris VI University, and I participate to the medical formation of medicine students and residents in surgery.

I also teach anterior approach of the hip for arthroplasty to surgeons from France for Tornier Wright and teach revision knee arthroplasty for Depuy Synthes.
